Jobs

MULLACO

JAN 2018 - FEB 2018

Sales Assistant / IT / Admin

As per job requirement I have dealt with trade and public customers on daily basis, making sure the store fulfills their needs. Updating prices, keeping an eye on online orders, replying to customers queries on website and dispatching their orders on time. I have also learned EPOS system and it improved my back-end knowledge of how it works. It greatly improved my back-end, time management skills and working to strict deadlines.

McDonald's

MAR 2016 - DEC 2017

Crew Member

As a crew member, I had several responsibilities including cooking in a fast paced environment, maintaining cleanliness and stocking etc. It didn't just boost my cooking skills but also helped me improve my team-working skills and how to work under pressure while dealing with several orders which required multi-tasking and accuracy.

Bespoke Signs, Shopfits and Flooring

OCT 2015 - DEC 2015

Graphic Design Assistant

I worked upon the designing of various leaflets, logos or any other advertisement material. Through this, I significantly built upon and developed my web marketing and designing abilities and learnt the basics of using Adobe Illustrator and Adobe Photoshop and how to use these to create professional material.
